## Folk Magic of Ukrainian “Pysanky” Eggs Candace Apple

When I think of Ukraine, I think of Pysanky, their beautiful brightly colored, fragile and delicately painted Easter Eggs. Last year as my heart reached out to the Ukrainians in the horror they are facing, I felt an urge to share a class on creating Pysanky with our community.

I invite you to come and share in this beautiful tradition brought down from ancient symbols of folk magic. Let us #StandTogether with the Ukrainians and learn several techniques to decorate your own Pysanky eggs. Legend has it that peace, love and harmony in the world depends on the existence of pysanky. Let us add to the abundance of Pysanky in the world so that happiness and prosperity can flourish!

## “Hades: Myth, Magic and Modern Devotion” - Book Signing

Jamie Waggoner

Join Llewellyn author Jamie Waggoner for a reading and presentation from her new book, Hades: Myth, Magic and Modern Devotion. There will be plenty of time for Q&A with Jamie after the presentation, and she will be happy to sign copies of her book. Expect to be surprised and inspired by the Underworld, and to meet others who are also curious about Hades and his chthonic retinue.

About the book: One of the most recognizable but misunderstood Greek gods, Hades plays a valuable role that has not garnered much adoration. Using myth, storytelling, and practical exercises, author Jamie Waggoner shows how Hades is more than the keeper of souls and the land of the dead. She reveals his true nature and provides everything you need to build your own rich devotional practice. Read this book to discover Hades’ real story with passages written in his own words, excerpts from historical texts, and Jamie’s personal experiences.

Jamie Waggoner is a Pagan priestess, philosopher, writer, and teacher. Jamie has studied esoteric and occult subjects since 1995, and uses her skills and experience gained over twenty years of magical praxis to lead workshops, rituals, sacred circles, and study programs. Her work as a priestess is highlighted in the Red Tent documentary film (2012) and the Goddess on Earth Oracle (2021). In addition to her independent projects, Jamie is a cofounder and teacher for Way of the Weaver, an inclusive program of spiritual inquiry, social justice, and community building. She has been a devotee of Hades since 2016.

### Wisdom and Healing Through Shamanic Journeys

Vicki Evans

Would you like to be able to receive more guidance from the spiritual realms? Shamanic Journeys are a tool that shamans use to go to non-ordinary reality, to the places where they can have a strong and clear connection to their spirit helpers. Fortunately, you don't have to be a shaman to benefit from doing a Shamanic Journey.

In this group, you get the opportunity to sit back, listen to the soft and rhythmic beat of the drum and be guided into the spirit worlds where you are able to meet with guides who have come for you highest good and will bring wisdom and/or healing for you. Sometimes they come quietly with just a subtle presence so you know that you are in non-ordinary reality and allow you to relax and remember who you are without the stresses of the world. At other times they come with words or visions to bring forth the messages and healing for you.

No experience is necessary to join in, we will do two journeys and they will be guided unless everyone is experienced with the process and then only the first one is guided. You are welcome to bring a mat or blanket to stay warm or lay on during the journeys.

Register Here:

**Thursday, March 28; 7:00pm to 8:30pm; \$25**

### The Great Awakening: April 8th Eclipse

Marilyn DuMont

Marilyn DuMont is returning to the Phoenix and Dragon Bookstore to continue the Astrological exploration of the Great Awakening. This is the time we've been waiting for. We have been talking about this Eclipse for 20 years. It has been the basis of all classes and readings Marilyn has shared since 1995. This Eclipse represents a conscious open access to the Ascension Dimensions that will now be available to the physical plane of Earth.

In this gathering you will have time to explore the workings of the New World. Neptune; ruler of Pisces; is ending his stay in Pisces in January, 2026. He was found in the sky in the 1840's, just as the Conestoga Wagons went west to explore and expand the United States.

Neptune represents the Spiritual and Intuitive knowing that is beyond seeing with the eye. Conestoga Wagon is retired. The 2020 to 2044 Merkaba, Flower of Life "Chariot" is hovering; waiting for you to jump in; using your influence building the new structures of the New World. The Merkaba provides protection and transports your consciousness to higher dimensions.
