The Siva Bakthi Series

with K. Sivakumar, ME

Join us for a special evening of exploring the depth into the essence of K. Sivakumar's thought provoking discourse which is based upon the philosophy of Saiva Siddhanta.

Saiva Siddhanta posits that there are three universal realities:
- the individual soul (pashu);
- the Lord (pati- i.e. Shiva); and the
- soul's bondage (pasha) within the fetters of existence.

These fetters comprise ignorance, karma, and the delusory nature of phenomenal reality (maya).

How the soul is able to transcend these fetters and merge as one with Shiva is the million \$\$ question.

The Great Awakening: April 8th Eclipse

Marilyn DuMont

Marilyn DuMont is returning to the Phoenix and Dragon Bookstore to continue the Astrological exploration of the Great Awakening. This is the time we've been waiting for. We have been talking about this Eclipse for 20 years. It has been the basis of all classes and readings Marilyn has shared since 1995. This Eclipse represents a conscious open access to the Ascension Dimensions that will now be available to the physical plane of Earth.

In this gathering you will have time to explore the workings of the New World. Neptune; ruler of Pisces; is ending his stay in Pisces in January, 2026. He was found in the sky in the 1840's, just as the Conestoga Wagons went west to explore and expand the United States.

Neptune represents the Spiritual and Intuitive knowing that is beyond seeing with the eye. Conestoga Wagon is retired. The 2020 to 2044 Merkaba, Flower of Life "Chariot" is hovering; waiting for you to jump in; using your influence building the new structures of the New World. The Merkaba provides protection and transports your consciousness to higher dimensions.

Sunday, April 7; 10:00am to 2:00pm; \$45

*Readings with Marilyn can be scheduled on:
Friday, April 5th from 1:30 PM to 6:30 PM
Saturday, April 6th from 10:00 AM to 6:30 PM
1/2 hour \$75; 3/4 hour \$100; 1 hour \$125

Wisdom and Healing Through Shamanic Journeys

Vicki Evans

Would you like to be able to receive more guidance from the spiritual realms? Shamanic Journeys are a tool that shamans use to go to non-ordinary reality, to the places where they can have a strong and clear connection to their spirit helpers. Fortunately, you don't have to be a shaman to benefit from doing a Shamanic Journey.

In this group, you get the opportunity to sit back, listen to the soft and rhythmic beat of the drum and be guided into the spirit worlds where you are able to meet with guides who have come for you highest good and will bring wisdom and/or healing for you. Sometimes they come quietly with just a subtle presence so you know that you are in non-ordinary reality and allow you to relax and remember who you are without the stresses of the world. At other times they come with words or visions to bring forth the messages and healing for you.

No experience is necessary to join in, we will do two journeys and they will be guided unless everyone is experienced with the process and then only the first one is guided. You are welcome to bring a mat or blanket to stay warm or lay on during the journeys.

Coming In May 2024

Mark A. Shryock and his daughter Tara

The purpose of this event is to raise all participants’ vibrational field. Because of the vibrational energy of this event, we ask you to use caution and perhaps spend some time grounding and clearing the energy before driving afterward. We ask, if possible, that for a few days to be quiet and still as much as possible to allow the energies to integrate into you. We will discuss this moment in time now occurring and its relationship to Atlantis.

We will also cover what the Ascension means and the difference between working with 3D old Earth energy and 5D new Earth energy that the planet Earth has now moved into. In addition, we will discuss starseed energy as well as the Galactic forces of love and light that are now working directly with us. We will cover Ascension symptoms and how to best integrate the tremendous energies presently coming in and how they may be physically affecting you.

The event will be hosted by Mark A. Shryock and his daughter Tara. Tara is a starseed from the Pleiadian star system, next to the Orion belt. Tara will be drawing a special drawing given to her by the Pleiadians as well as a message for all of us at the event. Tara will also describe some things about her home and answer questions from the guests towards the end. Mark is not Pleiadian but works with them very closely, and in the times of their ascension walked many lifetimes with them. He is what some term a blue ray, a multi-dimensional soul, capable of channeling and transmuting energy, and is presently here to work with Starseeds as they remember and align to their mission during this time of Ascension.
