April 2022

## Intro to Divination

Darren Bucare

Join Spiritual Consultant and Psychic Medium Darren Bucare for an exciting afternoon learning the origins and insights of Tarot, Ayurvedic Palmistry, and Astral Projection.

Divination means “divining information with extra-sensory abilities.” Three different methods will be touched on. Starting with Ayurvedic Palmistry, your life detailed by your central nervous system and mapped out on your hand. You will learn about past lives, relationships, work, and success!

The Art of Tarot card reading can be fulfilling in many ways—peering into what is to come and making peace with our past. The tarot can even help decide, “Which road should I choose?”

Astral Projection is the art of sending your consciousness, along with your astral self to amazing known and unknown places! This can be achieved safely for incredible results. We will explore how this is possible and the fun and beautiful ways it can enrich your life. See the Taj Mahal or the Northern Lights!

**Saturday, April 2; 4pm to 5:30pm; Free**

## Folk Magic of Ukrainian “Pysanky” Eggs

Candace Apple and Susan Rushing

When I think of Ukraine, I think of Pysanky, their beautiful brightly colored, fragile and delicately painted Easter Eggs. Last month as my heart reached out to the Ukrainians in the horror they are facing, I felt an urge to share a class on creating Pysanky with our community.

I invite you to come and share in this beautiful tradition brought down from ancient symbols of folk magic. Let us #StandTogether with the Ukrainians and learn several techniques to decorate your own Pysanky eggs. Legend has it that peace, love and harmony in the world depends on the existence of pysanky. Let us add to the abundance of Pysanky in the world so that happiness and prosperity can flourish!

## Courtyard Painting Collective

*Yesmara*

Do you enjoy watching Bob Ross on his show *The Joy of Painting*? Perhaps you are already an avid painter and when you read the words, "plein air" you're already thinking, "I'm in." Maybe you don't paint at all but you might like to try.

Meet beneath the statue Phoenix Rising in the courtyard of the bookstore and you will have the opportunity to reflect while you paint in the serenity of the quiet morning hours. In case of inclement weather, the group will shift to our indoor gallery space which provides sublime views of the creek and

wooded ravine. For those of you who do not create but like to watch, you are welcome to sit and enjoy the atmosphere.

This monthly event is free to those who bring their own supplies. \$5 donation will provide you with an 8x10 canvas and painting supplies. Although this is a free event, registration is appreciated.

## [Zoom Class]

### Wisdom and Healing Through Shamanic Journeys

*Vicki Evans*

The online event gives you the opportunity to journey to the spirit realms without leaving the comfort of your home!

Would you like to be able to receive more guidance from the spiritual realms? Shamanic journeys are a tool that shamans use to go to non-ordinary reality, to the places where they can have a strong and clear connection to their spirit helpers. Fortunately, you don't have to be a shaman to benefit from doing a Shamanic Journey. In this group, you get the opportunity to sit back, listen to the soft and rhythmic beat of the drum, and be guided into the spirit worlds where you are able to meet with guides who have come for your highest good and will bring wisdom and/or healing for you. Sometimes they come quietly with just a subtle presence so you know that you are in non-ordinary reality and allow you to relax and remember who you are. At other times they come with words or visions to bring forth the messages and healing for you.

No experience is necessary to join, we will do two journeys and they will be guided unless everyone is experienced with the process and then only the first one is guided.

**Thursday, April 14; 7pm to 8:30pm; \$20**

## Goat Yoga

*GGA Dwarf Goat Yoga*

In this 45-minute class, led by our certified instructor from Nepal, you'll be able to do yoga with miniature goats. The Yogis will perform breathing exercises and various Yoga positions. While doing so, dwarf goats can hop around you, climb on your back, sit on top of you, even nap on you or your yoga mats while you let go of all your stress. The last 15 minutes is dedicated for 1-on-1 time with the miniature goats.

Animal therapy is the idea and there have been multiple claims of healing. The root of the yoga poses are in Ashtanga and Kemeti Yoga. The class also includes a Sound Bath with Tibetan sound bowls. The goats do their own thing while you enjoy the moment and release expectations. It may cause extreme happiness. The experience you will have can be very eye opening and align you with your chakras. Cleanse your spirit with the burning sage and finish your session with a cup of hot green tea.

*Children 7 and up accompanied by a parent are welcome. Please bring a yoga mat to this class.*

**Saturday, April 16; 12 Noon to 1pm; \$35**

Call 404-255-5207 to register. Space is limited.

## Breathwork

*Victoria Antonelli*

The session will begin with housekeeping and grounding exercises, followed by 28 minutes of a 3-part circular breath pattern—2 inhales and 1 exhale—all through the mouth while lying on your back. This technique is called Conscious Connected Breathing. It can help relieve anxiety, manage

stress, remove emotional blocks, aid digestion, strengthen the lungs, recalibrate the nervous system, and more. The class will conclude with an 8-minute meditation and reading, which gives your body time to process the experience. Power bars, water, and coconut juice will be available after.

What to bring and reminders: a yoga mat, a blanket if you run cold, avoid eating 1 to 3 hours before. Be sure to stay until the end of the meditation so your body can readjust before you drive home!

**Saturday, April 16; 11am to 12:15pm; \$20**

We will meet monthly and have a chance to share where we are in our channeling and celebrate any breakthroughs you may have had. Then we will go into various channeling exercises. Sometimes we will break into small groups, or do one on one practices, and occasionally we may share messages for the group or for each person in the group.
