Vicki Evans

W.I.L.D. stands for Wise, Intuitive, Loving, and Divine. I believe that all women have the desire to make Wise choices, no matter their age. We are all Intuitive, even if you don't know it, you have that ability. Loving is something we all desire to be but we want the wisdom and intuition to guide us in making the best choices. Divine—divinity is your birthright, you were born connected to All That Is.

Wisdom and Healing Through Shamanic Journeys

Vicki Evans

The online event gives you the opportunity to journey to the spirit realms without leaving the comfort of your home!

Would you like to be able to receive more guidance from the spiritual realms? Shamanic journeys are a tool that shamans use to go to non-ordinary reality, to the places where they can have a strong and clear connection to their spirit helpers. Fortunately, you don't have to be a shaman to benefit from doing a Shamanic Journey. In this group, you get the opportunity to sit back, listen to the soft and rhythmic beat of the drum, and be guided into the spirit worlds where you are able to meet with guides who have come for you highest good and will bring wisdom and/or healing for you. Sometimes they come quietly with just a subtle presence so you know that you are in non-ordinary reality and allow you to relax and remember who you are. At other times they come with words or visions to bring forth the messages and healing for you.

Special Events for December 2022

No experience is necessary to join, we will do two journeys and they will be guided unless everyone is experienced with the process and then only the first one is guided.

Thursday, December 8; 7pm to 8:30pm; \$20

Goat Yoga

GGA Dwarf Goat Yoga

In this 45-minute class, led by our certified instructor from Nepal, you'll be able to do yoga with miniature goats. The Yogis will perform breathing exercises and various Yoga positions. While doing so, dwarf goats can hop around you, climb on your back, sit on top of you, even nap on you or your yoga mats while you let go of all your stress. The last 15 minutes is dedicated for 1-on-1 time with the miniature goats.

Animal therapy is the idea and there have been multiple claims of healing. The root of the yoga poses are in Ashtanga and Kemeti Yoga. The class also includes a Sound Bath with Tibetan sound bowls. The goats do their own thing while you enjoy the moment and release expectations. It may cause extreme happiness. The experience you will have can be very eye opening and align you with your chakras. Cleanse your spirit with the burning sage and finish your session with a cup of hot green tea.

Children 7 and up accompanied by a parent are welcome. Please bring a yoga mat to this class.
