## Shamanic Journey Workshop

*Vick J Evans*

Shamanic Journeys have been used world-wide by shamans and others to move into the spirit worlds. When we go on a journey, we travel to one of the three main spirit worlds to connect to your guides and to spirit beings that will help you on your spiritual path. During Shamanic Journeys the guides can bring wisdom and healing for yourself and others.

In this workshop not only will you learn about Shamanic Journeys, but you will journey to the spirit worlds and connect with the guides. The guides can help you see the bigger picture; they can help release some of the limitations that keep you from living your best life. By sharing their wisdom and their healing, the guides will help you make the choices that are right for you.

You do not have to be a shaman or have experience to be able to do a Shamanic Journey.

- What is a shamanic journey?
- What are the benefits to journeying?
- Where do you go when you journey?
- There is more than one way to journey.
- Establishing a home base in the Middle World.
- How the guidance you receive can help you navigate your life.
- Understanding what you experience during a journey.
- How to do one on your own.

**Saturday, February 12; 1pm to 5:30pm; \$100**

*Limited to 10 people*

### [Zoom Class]

### Wisdom and Healing Through Shamanic Journeys

*Vicki Evans*

The online event gives you the opportunity to journey to the spirit realms without leaving the comfort of your home!

Would you like to be able to receive more guidance from the spiritual realms? Shamanic Journeys are a tool that shamans use to go to non-ordinary reality, to the places where they can have a strong and clear connection to their spirit helpers. Fortunately, you don't have to be a shaman to benefit from doing a Shamanic Journey. In this group, you get the opportunity to sit back, listen to the soft and rhythmic beat of the drum and be guided into the spirit worlds where you are able to meet with guides who have come for you highest good and will bring wisdom and/or healing for you. Sometimes they come quietly with just a subtle presence so you know that you are in non-ordinary reality and allow you to relax and remember who you are without the stresses of the world. At other times they come with words or visions to bring forth the messages and healing for you.

No experience is necessary to join, we will do two journeys and they will be guided unless everyone is experienced with the process and then only the first one is guided.

**Thursday, February 10; 7pm to 8:30pm; \$20**
