Aunt Jacki will show you how to use the tools in her book to take your good spell and make it great through understanding which of the Magic 5 branches are at the core of your need and how to heal the deficit in your spirit. Jacki will be using her decks to help you build your own great spell.

## What's My Candle Spell? Breaking the Rules to Manifest Creatively

Jacki Smith

In this fun and creative workshop, Jacki Smith (aka Aunt Jacki), will guide you in empowering your very own magical candle and teach you how to cast candle spells to manifest prosperity, protection, love (romantic, community, and family), healing, and spiritual clearing.

Just like making a last-minute dinner from whatever you have in your refrigerator and pantry (we've all been there), you can grab a candle and almost anything you have laying around your home to cast a spell! In this interactive, game show-like workshop, Aunt Jacki will show you how to adapt and improvise to create powerful spells anytime, anywhere, and with anything, and maybe a quick trip to your local store. It's fun. It's funny. It's What's my Candle Spell!

Saturday, November 12; 5pm to 8pm; \$60

Drawn from his years of teaching, Nepo explores how our hard work and authenticity ready us for meaning and grace. Using ancient and contemporary stories, poetry, journaling, and dialogue, he unfolds how our sincerity and labor help us to survive and thrive.

**(Event #3) Mark Nepo LIVE & Worship Service:** We will start the morning with time of "poetic inquiry" enlivened by one of the finest spiritual teachers of our times. Through poetry and story, Mark Nepo will inspire us as we wonder together how genuine care erases the walls we keep building between us... how a life of meaning and love unfolds through adversity.

Following the Q&A, you're invited to attend Shallowford Presbyterian Church's worship service where Mark offer a meditation entitled, "Heart Work: Being a Spirit in the World." In this talk, Mark will explore how a life of meaning and love unfolds through adversity, how love awakens everything, and how care erases the walls we keep building between us.

shamans use to go to non-ordinary reality, to the places where they can have a strong and clear connection to their spirit helpers. Fortunately, you don't have to be a shaman to benefit from doing a Shamanic Journey. In this group, you get the opportunity to sit back, listen to the soft and rhythmic beat of the drum, and be guided into the spirit worlds where you are able to meet with guides who have come for you highest good and will bring wisdom and/or healing for you. Sometimes they come quietly with just a subtle presence so you know that you are in non-ordinary reality and allow you to relax and remember who you are. At other times they come with words or visions to bring forth the messages and healing for you.

No experience is necessary to join, we will do two journeys and they will be guided unless everyone is experienced with the process and then only the first one is guided.

**Thursday, November 10; 7pm to 8:30pm; \$20**

### Goat Yoga

#### GGA Dwarf Goat Yoga

In this 45-minute class, led by our certified instructor from Nepal, you'll be able to do yoga with miniature goats. The Yogis will perform breathing exercises and various Yoga positions. While doing so, dwarf goats can hop around you, climb on your back, sit on top of you, even nap on you or your yoga mats while you let go of all your stress. The last 15 minutes is dedicated for 1-on-1 time with the miniature goats.

Animal therapy is the idea and there have been multiple claims of healing. The root of the yoga poses are in Ashtanga and Kemeti Yoga. The class also includes a Sound Bath with Tibetan sound bowls. The goats do their own thing while you enjoy the moment and release expectations. It may cause extreme happiness. The experience you will have can be very eye opening and align you with your chakras. Cleanse your spirit with the burning sage and finish your session with a cup of hot green tea.

*Children 7 and up accompanied by a parent are welcome. Please bring a yoga mat to this class.*

**Saturday, November 12; 12 Noon to 1pm; \$35**

### The Medium Road Show

#### Logan Taylor

Logan Taylor is a southern gentleman that has been redefining the term "medium" for almost a decade. Having read thousands of people from all over the world over his seven year career, he has developed a reputation as one of the most accurate (and entertaining) intuitives of his generation. His homebase is McMinnville, TN, where he works full-time as a psychic medium. Logan always incorporates messages from our angels and loved ones that have crossed over to the other side. Audience members will hear stories about Logan's personal experiences with Spirit and will have the opportunity to be read in a group setting. Logan's welcoming and charismatic demeanor will have everyone smiling and enjoying themselves! Whether you receive a reading or not, a night with Logan Taylor is always a one-of-a-kind, life-changing experience!

This group is meant for those people who have a little bit of experience in channeling, even if only in a workshop or among friends, to those who have more experience but want a safe place to develop and go deeper in their channeling.

We will have a chance to share where we are in our channeling and celebrate any breakthroughs. We will go into various channeling exercises. Sometimes we will break into small groups, or do one-on-one practices, and occasionally we may share messages for the group or for each person in the group.

### [Zoom Class]

#### W.I.L.D. Women

#### Vicki Evans

W.I.L.D. stands for Wise, Intuitive, Loving, and Divine. I believe that all women have the desire to make Wise choices, no matter their age. We are all Intuitive, even if you don't know it, you have that ability. Loving is something we all desire to be but we want the wisdom and intuition to guide us in making the best choices. Divine—divinity is your birthright, you were born connected to All That Is.

This group was formerly the Shamanic Women's Group but after meeting for over six years, it was time for a change. I have changed, I have grown, and I have done some deep diving into my spirituality. I would love to help you grow too.
