Wisdom and Healing Through Shamanic Journeys

Vicki Evans

Would you like to be able to receive more guidance from the spiritual realms? Shamanic journeys are a tool that shamans use to go to non-ordinary reality, to the places where they can have a strong and clear connection to their spirit helpers. Fortunately, you don't have to be a shaman to benefit from doing a Shamanic Journey. In this group, you get the opportunity to sit back, listen to the soft and rhythmic beat of the drum, and be guided into the spirit worlds where you are able to meet with guides who have come for your highest good and will bring wisdom and/or healing for you. Sometimes they come quietly with just a subtle presence so you know that you are in non-ordinary reality and allow you to relax and remember who you are. At other times they come with words or visions to bring forth the messages and healing for you. No experience is necessary. We will do two guided journeys unless everyone is experienced and then only the first one is guided.

Thursday, September 14; 7pm to 8:30pm; \$20

There have been multiple claims of healing from animal therapy. The root of the Yoga poses are in Ashtanga and Kemeti Yoga. The class also includes a sound bath with Tibetan sound bowls. The goats do their own thing while you enjoy the moment and release expectations. Beware as it may cause extreme happiness. The experience you will have can be very eye opening and align you with your 7 chakras.

Children 7 and up accompanied by a parent are welcome. Please bring a yoga mat to this class. Class will be taking place in the gallery.
