### Wisdom and Healing Through Shamanic Journeys

Vicki Evans

Thursday, July 25 | 7:00PM - 8:30PM | \$25

Would you like to be able to receive more guidance from the spiritual realms? Shamanic Journeys are a tool that shamans use to go to non-ordinary reality, to the places where they can have a strong and clear connection to their spirit helpers.

In this group, you get the opportunity to sit back, listen to the soft and rhythmic beat of the drum and be guided into the spirit worlds where you are able to meet with guides who have come for your highest good and will bring wisdom and/or healing for you.

No experience is necessary to join in, we will do two journeys and they will be guided unless everyone is experienced with the process and then only the first one is guided. You are welcome to bring a mat or blanket to stay warm or lay on during the journeys.

### Weather Witchery: Connecting to Our Inner Weather Witch

Author, Debra Burris

Friday, July 26 | 5:00PM - 6:30PM | FREE

Weather is something that connects us all, regardless of where we live. Typical weather magic centers around trying to manipulate the weather in some way, but let's dig deeper.

As we work with weather magic, we become more attuned to the cycles of the earth and the seasons. Learning the folklore of the weather connects us to the long line of those who watched the signs and the skies to foretell what was to come. We come to embody the storm, the wind, the clouds within our magical selves.

In this workshop, we will learn some of the basic science around familiar weather patterns then see how that connects to the folklore surrounding them. Then we will brainstorm new ways to incorporate the energy of weather phenomena into our magical practice. Weather is all around us, why not use it as a magical ally?

**Location: Gallery**

**Copies of *Weather Magic* will be available for purchase.**

JULY 2024

# THOUGHTS FROM CANDACE APPLE FOR JULY 2024

Stepping into the melting heat, I wonder what can make these days so intensely hot. Oh yes, how could I forget, Global Warming. There are so many disruptions in our world, many of us are dreading the daily news. I confess, I turn on the TV each morning to make sure the world is still here. The doom and gloom on TV cannot be good as a daily diet.

It is time for us to stop and take a deep breath! How can we create positive energy to share with our family, our neighbors, and our community. Perhaps we can walk out to our backyard garden and pick an armful of vibrant vegetables to share with our neighbors. If we notice our next-door neighbor struggling with getting her baby and groceries into her kitchen, it could be a good time to offer to carry the groceries. Yes, we can make a difference in our world. It is time to choose what world you want to create as you sit down with your neighbor and a tall glass of iced tea.

Mystic South 2024 will be a special event this month, just north of I-285, across from Perimeter Mall at the Crown Plaza Ravinia for July 26 through 28. We are delighted to include four of the authors discussions at our nearby Phoenix & Drago Bookstore, 5531 Roswell Rd Sandy Springs 30342. Thursday, July 25 author Jamie Waggoner will discuss Hades: Myths, Magic & Modern Devotion. July 26, author Debra Burris will discuss the science and folklore of Weather Magic: Witchery, Science, Lore. July 27, Rob & Nonie Douglas present Demystify Spirits of the Dead. July 28, author Courtney Weber will lead a book discussion and signing of Sacred Tears: A Witch's Guide to Grief. These authors will also have presentations at Mystic South 2024 at the Crown Plaza which will take registrations for their Mystic South events. You can also register at <https://mystic-south.com/events/mystic-south-2024/>

Take a deep breath, each small step can grow hope, friendship, health, and joy.
